**Del 2 al 31 de juliol
i del 27 al 31 d'agost.**

A person is captured mid-air, jumping from a boat into a large body of water. They are wearing a red and black life jacket and dark shorts. Their arms are outstretched upwards, and their legs are spread wide. The water is splashing around them. In the background, there is a forested shoreline under a bright, slightly hazy sky. Other people can be seen swimming in the water to the left.
